North Road Community Primary School

Design Technology Curriculum Road Map

I can design

I can make

I can evaluate

Food and Nutrition

EYFS

Expressive Art and Design

Year 1

I can make a simple plan before making.

I can choose appropriate resources and tools.

I can cut food safely.

Year 2

I can say what I like and don't like about my work.

I can think of an idea and plan what to do next.

Year 3

I can join materials and components in different ways.

I can explain what went well with my work.

I can prove that my design meets a set criteria.

I can describe how food ingredients come together.

I can describe the ingredients I am using.

Year 4

I can use ideas form other people / designers when I am designing.

I can choose tools and materials and explain why I have chosen them.

I can evaluate and suggest some improvements for my designs.

I can select the most appropriate tools and techniques for a given task.

I know how to be both hygienic and safe when working with food.

I can evaluate an existing product against clear criteria.

Year 5

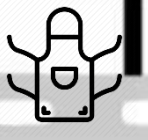
I can evaluate my own product against clear criteria.

I can come up with a range of ideas after collecting information from different sources.

I can work accurately to measure, make cuts and holes.

Year 6

I can show that I consider culture and society in my plans and designs.



I show that I can be both hygienic and safe in the kitchen.

I can use a range of tools and equipment safely and competently.

I can prepare food safely, using a range of cooking techniques.

Year 7

I show that I can test, evaluate and make improvements of my products.
