Here is an image of a way of splatting words.

These are the tricky words that the children need to know by sight. Remember that they can't be sounded out.

Only use the phase 3 words if your child knows all of the first set-phase 2.

There are other sets which I shall give you in the future.

Jack's next door neighbour was feeling very jealous of Jack's beanstalk. He found a tiny, fluffy, rainbow coloured seed and planted it. Draw a picture of the plant you think might have grown in his garden!

Jack and the Beanstalk story is one that we would have been learning with in school. If you don't have a copy there are plenty of versions on YouTube that you can use.

If you are using Twinkl free then you may also find other resources for Jack and the Beanstalk available to you.

Please try to share some reading and numbers every day. 😊

Pluto Class – Roley's Ten Day Challenge Set 2

Ask your grown-up to tell you a number. Place this number of raisins or cereal pieces on your plate. If your grown-up says 'one more', can you add one more and say the number you have? If your grown-up says 'one less', can you eat one then count the number you have left?
