

# Mars Class Newsletter September 2020

Dear Parents/Carers

Welcome back to the new school year and to Mars class. Our learning title is

'Somewhere after the rainbow'

## PE Days

We will have PE on Monday, Tuesday and Friday. Please send your child to school in their PE uniform on these days and remember to remove or tape any earrings please.

## Outdoor clothing

As we will be using the outside spaces as much as possible please send in a pair of named wellies to be kept in school and remember to send your child with a waterproof coat every day.

## Morning Snacks and Water Bottles

The school kitchen is not currently able to provide toast and other snacks. Fruit will be available daily for all children.

Please make sure that your child's water bottle is named.

## Reading Books and Bees

We will be collecting in books in named bags and the bees in boxes when children arrive at school in the morning.

For now, we will not be sending a reading book home. We will be listening to the children read at least once a week in school with books that stay in our class pod.

## Homework

Selling homework will no longer be a booklet. We will be using an online website called 'Spelling shed'. Details will be sent home next week ready to start on Friday 11<sup>th</sup> September.

## Dojo's

We will be using our system of Dojos with the children as last year. However, as we are not able to speak with you at the start and end of the day, please use the Dojo message feature to correspond with me about class based queries. Any attendance messages should continue to be sent to the school office at the start of the day in the usual way.

## News Clues

This is a talking and sharing time that will be introduced to the class in Term 2 in place of Show and tell.

We are looking forward to the term ahead with the children and have lots of exciting things planned to do together as a new class pod.

Kind Regards

Mrs Trickey
