

# North Road Community Primary School

## Science Curriculum Road Map - Physics

EYFS

Understanding  
the World

Year 1

How do the  
seasons affect  
the weather?

Year 2

Can we see and hear  
energy?

How do things move?

Can forces be useful?

How do we hear  
different sounds?

Can we control  
electricity?

Year 4

What can  
magnets do?

What is light,  
dark and  
shadow?

Year 3

How do  
objects move  
on different  
surfaces?

Year 5

Sun, Earth and  
Moon: what is  
moving and how?

What processes  
cause things to  
move?

Year 6

Can we vary the  
effects of  
electricity?

How does the  
way light travels  
allow us to see?

Year 7
