### Path to Paris

---

With the Paris 2024 Olympic Games fast approaching, Get Set have launched the 'Path to Paris' scheme. Get Set was launched ahead of the London 2012 games, and the programme aims to inspire young people to fulfil active and healthy life styles, give all young people the chance to learn about and live the Olympic Values of friendship, excellence and respect and the Paralympic Values of inspiration, determination, courage and equality, and build excitement towards the upcoming games.

Team North Road has been signed up for Path to Paris; a virtual journey to travel from Athens around the world, ending up in Paris in time for the Olympic Games. Every minute of exercise your child does can be recorded, and will be converted into a distance travelled. This is a programme to encourage children to be active, whilst learning about new sports and Olympians and a chance to collect prizes along the way.

It is a really simple programme so it would be great to get as many of the children involved as possible, they will receive a certificate when we have reached Paris!

#### Steps:

1. Go to <https://www.getset.co.uk/pathtoparis>
2. Scroll down and press "Log Activity"
3. Enter our school Unique Pin: 37891
4. Log your activity – enter how many minutes it lasted, what sort of activity it was for example walking to school, swimming lesson or playing for a football team.
5. Keep logging your activities to get us all the way to Paris!

It would be great to have a range of different activities to help us across the finish line!

Thank you for your support.

Yours sincerely
