Dear Parents and Carers,

FIRST FULL WEEK FOR PLUTO! "My child has been very tired this week." Is the sentence I've heard a lot this week. They have been absolutely amazing, and we have been incredibly proud of them all. The first full week in school will be the week you will never forget. As a parent myself all I can say is, capture each moment and ask lots of questions about their day. They will certainly be tired tonight, and we can't wait to see them on Monday.

Mr Steve Pavey

'STARS OF NORTH ROAD'

This week's 'Stars of North Road' assembly took place this afternoon, our superstars were Fola from Pluto, Noah from Mars Class, Parker and Jack from Neptune Class and Harry from Jupiter Class. Their reward will be to have hot chocolate and marshmallows with me at 2:40pm on Monday. Very exciting!

COFFEE MORNING WITH MR PAVEY – FRIDAY 25th SEPTEMBER

Thank you to everyone who attended my coffee morning today. It was a chance for me to share my experience, who I am and more importantly my values and vision for the school. My next coffee morning will take place in December.

OPEN DAYS FOR NEW 2027 RECEPTION CHILDREN

We have a selection of designated 'Open Days' for parents who are keen for their children to join our reception class in September 2027. These Open

Days will last 1 hour and will start with a welcoming from Mr Pavey, followed by a tour with our

new appointed 'Pupil Advocate' children. Mr Pavey will then finish the tour with a Q&A session.

The dates for our Open Days are:

- Monday 9th November 1:30pm-2:30pm
- Thursday 19th November 9:30am-10:30am
- Friday 20th November 9:30am-10:30am
- Tuesday 24th November 11am-12pm

If you would like to attend one of these designated tours, please contact our school office.

HEALTHY SNACK UPDATE

During the first week of term, we made the decision to remove toast from our breaktime provision and instead encourage children to bring and enjoy a healthy snack. With your fantastic support, we have been pleased to see that sweets, chocolate bars and packets of crisps are not being brought into school.

However, we are still seeing several high-sugar cereal bars, Peperami and Fruit Winders being brought in. While these may appear to be suitable snack choices, they can contain high levels of sugar and are not in keeping with our aim of promoting healthy choices at breaktime. Ideally, we would encourage children to bring a piece of fresh fruit or a small portion of prepared fruit, such as grapes that have been cut up. We also have a plentiful supply of fruit available in school, so children can access this if they need a snack. Thank you, as always, for your continued support in helping us promote healthy habits and positive choices for our children.
